Blowin' in the Wind

Bob Dylan

Key: A

4/4

A **D** **A**
How many roads must a man walk down

A **D** **A**
Before you call him a man?

A **D** **A**
Yes and how many seas must a white dove sail

A **D** **E**
Before she sleeps in the sand?

A **D** **A**
Yes and how many times must the cannonballs
fly

A **D** **A**
Before they're forever banned?

D **E** **A** **D**
The answer, my friend, is blowin' in the wind

D **E** **A**
The answer is blowin' in the wind

A **D** **A**
How many years can a mountain exist

A **D** **A**
Before it's washed to the sea?

A **D** **A**
Yes and how many years can some people exist

A **D** **E**
Before they're allowed to be free?

A **D** **A**
Yes and how many times can a man turn his
head

A **D** **A**
Pretending he just doesn't see?

D **E** **A** **D**
The answer, my friend, is blowin' in the wind

D **E** **A**
The answer is blowin' in the wind

How many times must a man look up

A **D** **A**
Before he can see the sky?

A **D** **A**
Yes and how many ears must one man have

A **D** **E**
Before he can hear people cry?

A **D** **A**
Yes and how many deaths will it take till he
knows

A **D** **A**
That too many people have died?

D **E** **A** **D**
The answer, my friend, is blowin' in the wind

D **E** **A**
The answer is blowin' in the wind

[Chorus]

D **Em** **A** **D**
Four strong winds that blow lonely, seven seas that run high

D **Em** **A** **A7**
All those things that don't change come what may

D **Em** **A** **D**
But our good times are all gone, and I'm bound for moving on

G **Em** **A**
I'll look for you if I'm ever back this way

D **Em** **A** **D**
Think I'll go out to Alberta, weather's good there in the fall

D **Em** **A** **A7**
I got some friends that I can go to working for

D **Em** **A** **D**
Still I wish you'd change your mind, if I asked you one more time

G **Em** **A**
But we've been through that a hundred times or more

[Chorus]

[SOLO] **D** **Em** **A** **D**
D **Em** **A** **A7**
D **Em** **A** **D**
G **Em** **A**

D **Em** **A** **D**
If I get there before the snow flies, and if things are going good

D **Em** **A** **A7**
You could meet me if I sent you down the fare

D **Em** **A** **D**
But by then it would be winter, nothing much for you to do

G **Em** **A**
And those winds sure can blow cold way out there

Que Sera Sera

Jay Livingston & Ray Evans

Key: A

3/4

[Verse]

When I was just a little girl
I asked my mother, what will I be?
Will I be pretty?
Will I be rich?
Here's what she said to me:

[Chorus]

Que sera, sera
Whatever will be, will be
The future's not ours to see
Que sera, sera
What will be, will be

When I grew up and fell in love
I asked my sweetheart, what lies ahead?
Will we have rainbows
Day after day?
Here's what my sweetheart said:

[Chorus]

[SOLO Verse x 2]

You Are My Sunshine

(Disputed!)

Key: E

4/4

[Chorus]

You are my sunshine, my only sunshine
You make me happy when skies are grey
You'll never know dear, how much I love you
Please don't take my sunshine away

The other night dear, as I lay sleeping
I dreamed I held you in my arms
When I awoke, dear, I was mistaken
And I hung my head and cried

[Chorus]

I'll always love you and make you happy
If you will only say the same
But if you leave me to love another
You'll regret it all some day

[Chorus]

[Solo x 2]

You told me once dear, you really loved me
And no one else dear, could come between
But now you've left me and love another
You have shattered all my dreams
