G D
I built this heart, like an aged pine

G D
I built this heart, like a wild mountain cave

G B-
I built this heart, tangled up in tall vines

A D
I built this heart, like the summer rain

G D
I saw the light, burnt a hole through the darkness

G D
I followed you home, but kept hold of my pain,

G B-
'cause I left before and that loss still haunts us,

A D
but now I've come back to wash out the stains.

G D
I built this heart, like an aged pine

I built this heart, like a wild mountain cave

G D
Why does the clock dictate what is time?

G D
The beat of our hearts, the reason and rhyme,

G B-
'cause we know the rhythm, but we push it away,

A D
we think tomorrow, but its only today.

G D
I built this heart, like an aged pine

G D
I built this heart, like a wild mountain cave

G B-
I built this heart, tangled up in tall vines

A D
I built this heart, like the summer rain

G D
If that day shall rise, if fate takes you away,

G D
I'll remember the song, I'll remember the pain

G
'cause I've stepped to the corner to see where

B-
we've been

A D
if this crumbles my heart I'll build it back again.
